

PAID CAR PARKING

EASY! SECURE! CONVENIENT!

AT
PALMERSTON
NORTH
HOSPITAL

Palmerston North Hospital has a user-pay system for patients, visitors and staff who wish to park on-site. There are over 650 parks for the public. These are best accessed via Gates 9 and 11 on Ruahine Street. For those accessing services in the Community Village use Gate 1 on Heretaunga Street.

Parking charges apply in all areas of Palmerston North Hospital.

HOW TO PAY...

You will receive a parking ticket when you drive into the hospital site. **Take this ticket with you – do not leave it in your vehicle.**

Before returning to your vehicle, insert your ticket and pay at one of the automatic payment machines. Pay machines are located in the car parks and inside the foyer of the hospital (near main entrance). The machine will tell you how much you need to pay for parking. You can pay with cash, eftpos or credit card. All payment options are available at the Wilson Parking Office from 7.30am to 5.30pm, Monday to Friday.

Return to your vehicle. Drive to nearest exit and insert your ticket into the machine to raise the barrier arm.

NB: Mobility and some rural clinic parks in Car Park C are pay and display (see next column).

For your convenience, an ATM machine is located inside the main hospital entrance.

EXEMPTIONS...

A minimum number of exemptions will be made, ie: emergency vehicles, courier and delivery vehicles, buses, motorcycles, parents of critically ill children, immediate family of long stay patients (patients staying over three weeks), renal patients who drive themselves to dialysis, patients receiving regular long term treatment, blood donors, volunteers and rural health shuttles. In addition, radiotherapy patients receiving long term regular treatment will receive one hour free parking.

MOBILITY AND RURAL CLINIC PATIENT CAR PARKS...

Mobility and Rural Clinic Patient car parks are located close to the main entrance of the hospital (Gate 11, Ruahine Street). The same fees will apply to these parks as other parks. The majority of the mobility parks and some of the rural parks are pay and display.

FREE SHUTTLE SERVICE...

The free car park shuttle service offered at Palmerston North Hospital will still operate. This shuttle delivers patients/visitors to and from their cars and can be identified by its flashing roof-top orange light. Just flag it down if you need a lift.

The shuttle can be called from the pay machines by pressing the "assistance" button.

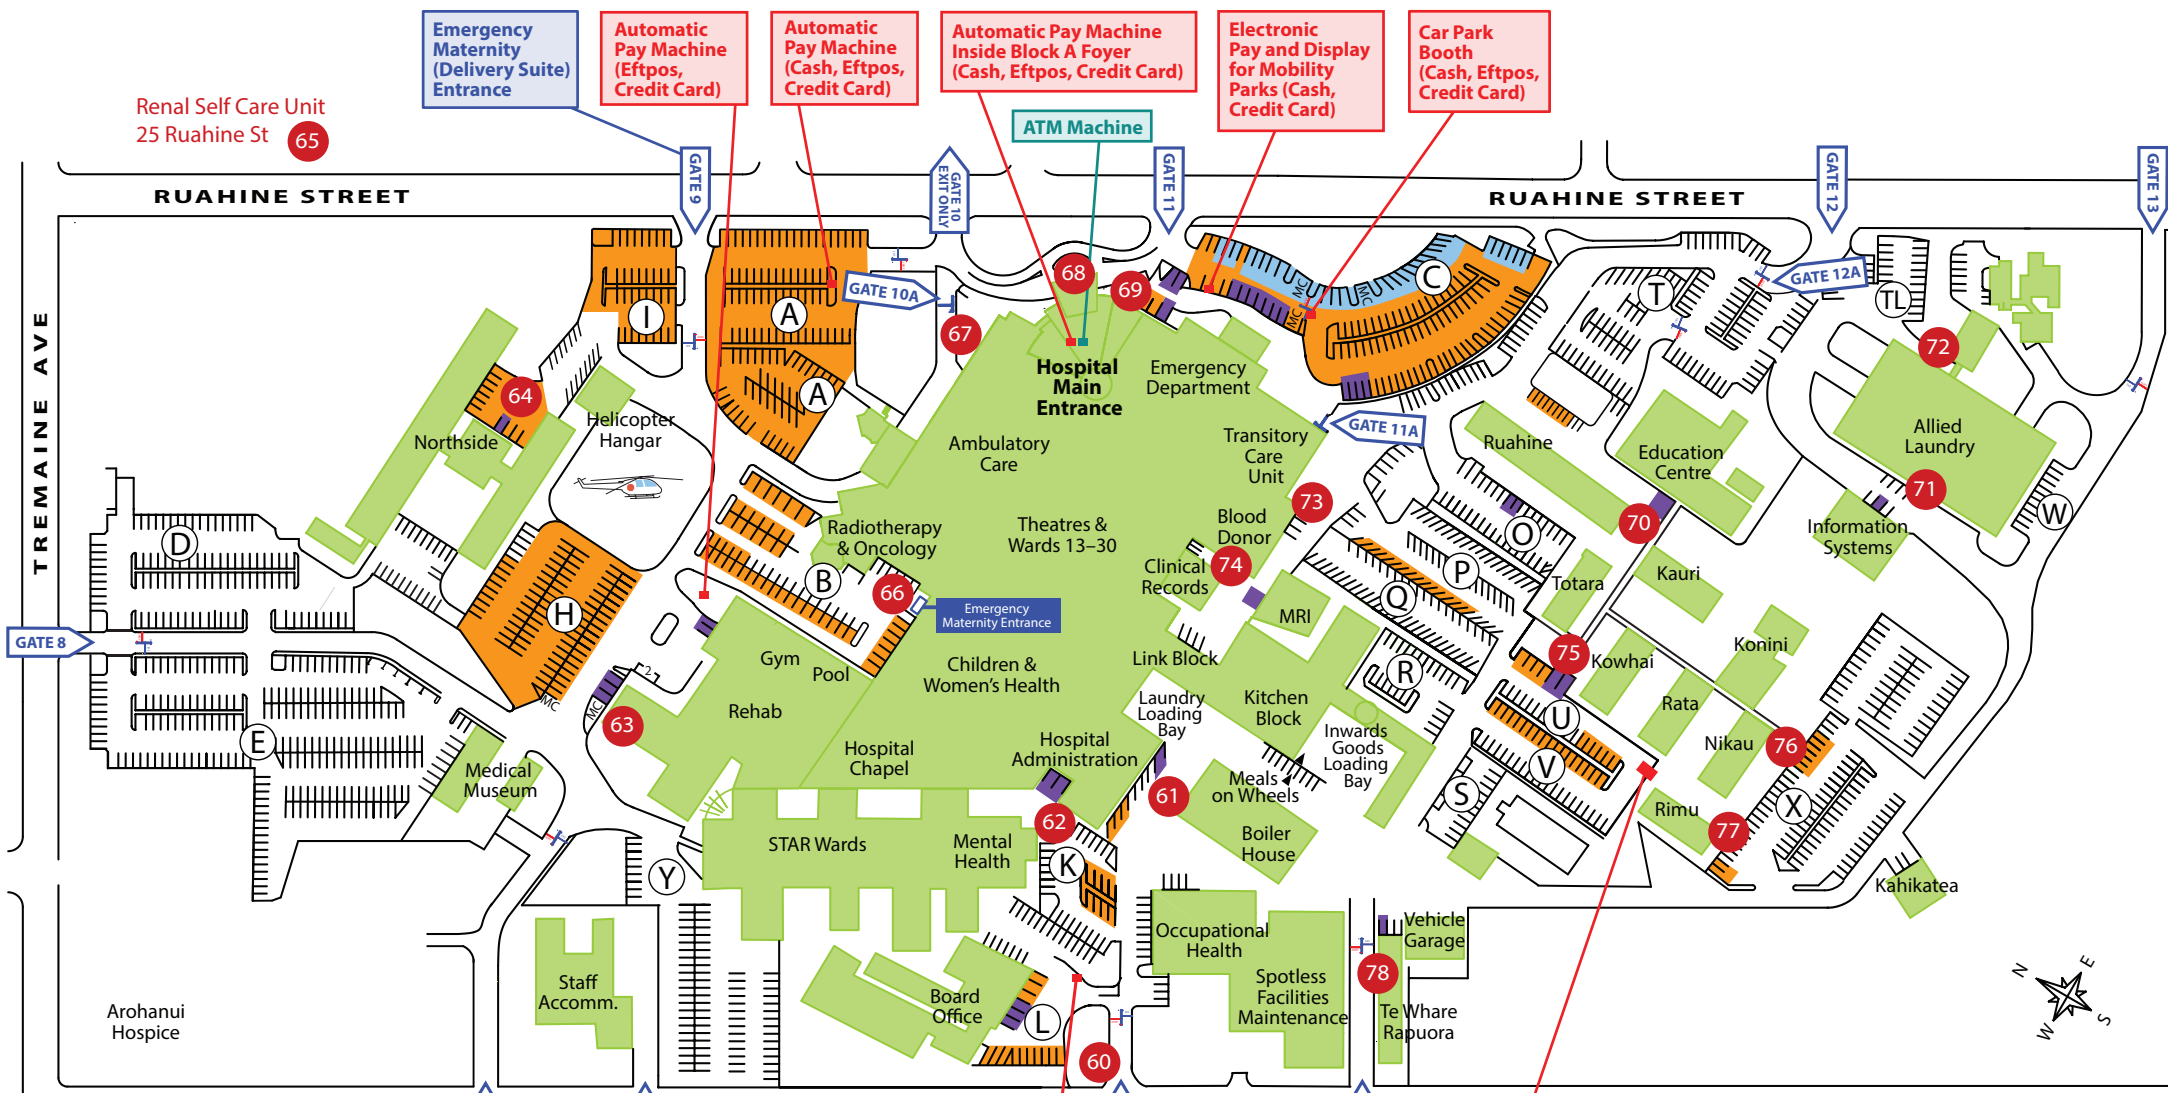

ON-SITE HELP...

Wilson Car Parking staff will be available on-site to assist you at the following locations:

- Mobile staff in car park areas
- Booth in the car park near hospital front entrance
- Car park office in the Community Village.

NB: Emergency Maternity (Delivery Suite) patients should enter via Gate 9, Ruahine St. An alternative entry is Gate 5, Heretaunga Street.
