

Position Description

Position:	Infectious Diseases/Infection Control/General Medicine Physician
Reports to:	Clinical Director, Medical Services Service Manager, Medical Services Executive Director, Nursing and Midwifery (for Infection Prevention and Control)
Role Relationships:	<u>Internal</u> Senior medical staff, registrars and house officers Infection Prevention and Control Team Nursing staff in the medical wards and clinics Other health care team members, eg General Practitioners Ward Assistants, Allied Health Professionals Pharmacy staff <u>External</u> MedLab Central Microbiologists and laboratory technicians Patients and relatives
FTE:	1 FTE
Level of Authority	The position is at the level of Senior Medical Officer as defined in the “New Zealand District Health Boards’ Senior Medical and Dental Officers’ Collective Agreement”
Nature of Appointment	This appointment is that of a full time permanent employee.

Future Direction:

Te Whatu Ora | Health New Zealand leads the day to day running of the health system across New Zealand, with functions delivered at local, district, regional and national levels. It weaves the functions of the 20 former District Health Boards into its regional divisions and district offices, ensuring continuity of services in the health system.

Te Pae Hauora o Ruahine o Tararua – MidCentral District (previously MidCentral District Health Board) provides healthcare services to over 180,000 people across the Manawatu, Horowhenua and Tararua regions. With a large hospital campus at Palmerston North, the health care provider

Te Whatu Ora

Health New Zealand

Te Pae Hauora o Ruahine o Tararua

MidCentral

also provides key health care and support services to neighbouring communities. We are one of the Manawatu's largest employers with over 3200 staff members.

MidCentral will continue to transform its specialist and hospital services, improving patient experience, decreasing length of stay, improving productivity in theatres, and managing demand. Quality improvement, patient and consumer engagement, evidence based decision making, integration with primary and community services and clinical leadership will be key areas of focus.

MidCentral will increasingly look to work with intersectoral partners to improve the health and wellbeing of its community, with particular reference to vulnerable and high needs population groups.

MidCentral needs to support clinicians and provider agencies to develop new ways of working together. This will require MidCentral to develop new relationships, new systems and new capabilities. This will be achieved while continuing to meet the expectations of external stakeholders such as the Minister and Ministry with regards to priorities and performance.

Role Purpose

PRIMARY OBJECTIVES:

To provide a high standard of clinical practice and clinical expertise and effective Infectious Diseases/General Medicine services to the community and region served by the Organisation.

To provide advice to the Service Manager, Medical Services, on Infectious Diseases/General Medicine management matters and professional standards of practice.

To provide supervision and instruction for Resident Medical Officers rostered to the Infectious Diseases/General Medicine service.

Management of acute medical patients.

Other general medical duties as per the work schedule to this job description.

Is the medical officer with responsibility for consulting on the management of patients with infectious diseases and infections within the hospital and in the community thus facilitating early discharge or community care. (i.e. Hospital in the Home (HITH) program). Also responsible for the Antimicrobial Stewardship Program (ASP) in collaboration with the pharmacy and microbiology service. This will include supervision of practice with improved outcomes discouraging the indiscriminate use of inappropriate antimicrobial medications.

Is a leading member of the Infection Prevention and Control Committee.

Establishes auditing processes.

Monitors community based antibiotic therapy.

Infection Prevention and Control:

Acts as advisor to the Executive Director, Nursing and Midwifery, Infection Prevention and Control team, the Organisation and its services. To provide clinical expertise and guidance to mitigate risk to patients from cross infection and to be proactive in identification of issues of concern.

Infectious Diseases, Infection Control and General Physician Work Schedule

This work schedule specifies the expected weekly requirements subject to the exigencies of the service. Any significant amendment will require the agreement of both parties to this agreement. The total hours are average hours only, and specific times rostered below will need to be varied from time to time to adequately staff the service, eg to cover leave, sickness and continuing medical education.

The duties and responsibilities as a (Job Title) employed by MidCentral, include participating with colleagues on the Roster for (Job Title) at Palmerston North Hospital.

Work Schedule

This work schedule specifies the expected weekly requirements subject to the exigencies of the service. Any significant amendment will require the agreement of both parties to this agreement.

The total hours are average hours only, and specific times rostered below will need to be varied from time to time to adequately staff the service, eg to cover leave, sickness and continuing medical education.

The duties and responsibilities as a Infectious Diseases and General Medicine Physician employed by MidCentral include participating with colleagues on the Roster for Infectious Diseases and General Medicine Physician at Palmerston North Hospital.

1. WEEKLY TIMETABLE

The final make up of these duties will be discussed between yourself and the Clinical Director, Medical Services.

This work schedule specifies the expected weekly requirements subject to the exigencies of the service. Any significant amendment will require the agreement of both parties to this contract.

The total hours are average hours only, and specific times will need to be agreed and may be varied from time to time to adequately staff the service, eg to cover leave, sickness and conferences.

The Infectious Disease component of this position is approximately 0.3FTE and consists of outpatient clinics, consultation on inpatients and with primary health.

The Infection Prevention and Control component of this position is approximately 0.2FTE and consists primarily of support and delivery of the Infection Prevention and Control Programme and review of staff related risk and management of communicable diseases.

General medicine workload is also approximately 0.5FTE (averaged at 16 clinical hours/week for 35 weeks or 13 hours/week per annum) is shared between 12 consultants. Each SMO does 24 hour call once per fortnight during the week, and a post-take round once per week. Call is on a set day; there are eight teams; two teams on call each day Monday to Thursday. Friday and weekend call is split; there are additional SMOs from subspecialties who share weekend work. The team on call on Friday will round Saturday and Sunday for new patients only, splitting the new patient intake with the weekend call person. Saturday round once per eight weeks; i.e. weekend call is 1 in 4.

Infectious Diseases, Infection Control and General Physician Person Specification

Competencies are the skills, knowledge and attributes required to be fully competent in this position.

There will be a programme available for appointees to meet competencies where a need for continued development is identified.

For the purposes of selection essential competencies have been identified, and decisions will be made based on the ability of applicants to meet these:

- Registered as a Medical Practitioner with the Medical Council of New Zealand or eligible for registration with the Medical Council to enable practice within the Organisation's area.
- Holds a higher qualification appropriate to the speciality, which is recognised by the Medical Council of New Zealand for Vocational Registration in Infectious Diseases/General Medicine.
- Commitment to auditing standards of practice.
- Proven knowledge of modern skills and techniques within Infectious Diseases/General Medicine.
- Has demonstrated a high standard of clinical care, management and time management skills.
- Is committed to continually updating skills and treatment methods.
- Has demonstrated teaching skills in respect of junior medical staff, other staff, patients and their families.
- Awareness of and sensitivity to cultural differences.
- Ability to work effectively within a multidisciplinary team.
- Ability to work effectively within a service and organisation committed to continuous quality improvement and to achieving accreditation.
- Meets the statutory and organisational requirements for working with children, as per the Vulnerable Children Act 2014 and MidCentral policy, including a satisfactory police check and other safety checking processes.

Physical Attributes

Under the Human Rights Act 1993 discrimination based on disability is unlawful.

Te Pae Hauora o Ruahine o Tararua | MidCentral's will make all reasonable efforts to provide a safe and healthy workplace for all, including persons with disability.

Every effort has been made to outline requirements clearly. If a potential applicant has uncertainties about their ability to fulfil these physical requirements, enquiry should be made whether it would be possible to accommodate a particular issue by obtaining advice from Occupational Health & Safety / Infection Control Team.

Level 2 – non procedural

- Ability to move about and undertake necessary duties throughout Palmerston North Hospital.
- Ability to sit and minimal ability to stand, walk, stretch, twist and bend.
- Manual dexterity sufficient for usual medical assessment / care, for necessary documentation and for any procedures that may be carried out.
- Visual ability sufficient to read and observe sufficiently to examine patients, operate necessary equipment, undertake necessary procedures enabling accurate performance of essential job duties
- Hearing and speech, sufficient to communicate with patients / caregivers / co-workers and accurately undertake necessary examination procedures.
- A high degree of mental concentration is required.
- Ability to wear facemasks for protection against infectious disease and gloves for short periods of time and have infrequent contact with latex rubber.
- Skin condition should allow frequent contact with water, soap/disinfectant soap or alternative hand cleaning preparations acceptable for infection control purposes.
- Absence of a health condition which could increase appointee's susceptibility if exposed to infections more frequently than in daily living.
- The appointee's health condition should not result in undue hazard to appointee/client or others as a result of exposure to blood, body waste or infectious disease. (Note MidCentral Health Policy for Work Restriction of Staff with Communicable Disease, particularly the Skin Appendix. Compliance with 'Medical Council Policy on Transmission of Major Viral Infection' is required.
- Work may present a hazard to immuno-compromised persons.
- Freedom from colonisation or infection with MRSA.
- Must be able to function under rapidly changing and demanding conditions.

Conditions of Appointment

EMPLOYMENT AGREEMENT

The Collective Agreement which covers the work of this position is the New Zealand District Health Boards Senior Medical and Dental Officers Collective Agreement (Collective Agreement) which applies to employees appointed to roles that are covered by the Collective Agreement and who are members of the Association of Salaried Medical Specialists (ASMS).

NATURE AND TENURE OF APPOINTMENT

The appointment will be subject to the conditions contained in this schedule, MidCentral's policies and appropriate legislation.

The appointment is permanent but may be terminated by three months notice in writing by either party. In the event of the appointee being found to have breached the organisation's code of conduct or other policies, the appointment may be terminated without notice.

SALARY

The commencing salary for this appointment will be within the salary scale, as specified in the Collective Agreement that applies at the time the position is taken up, with movement through the salary steps being by annual increment, subject to agreed performance criteria and as per the Collective Agreement.

Part-time (less than 40 hours) salary is pro-rata the full-time rate in the Collective Agreement.

The position's "job size" is the average weekly number of hours the appointee is required to undertake:

- Routine duties and responsibilities, including scheduled activities such as outpatient clinics, theatre lists and departmental meetings;
- Non-clinical duties and responsibilities;
- Duties at locations other than the usual workplace; and
- Rostered after hours' on-call duties, including telephone consultations and other relevant discussions.

Details of the work schedule and hours required will be detailed in the appointee's offer of employment and remuneration schedule, including payment of an availability allowance if the position includes on-call.

All salary payments will be made by direct credit to a nominated bank account in the appointee's name (or jointly including the appointee's name).

INSURANCE

The appointee must take out and maintain in force professional indemnity protection (e.g. through Medical Protection Society) in respect of alleged professional negligence or unskilful treatment of patients and it is recommended that advantage be taken of the unlimited indemnity which is available. The cost of this will be reimbursed by MidCentral, subject to it not having been reimbursed by a previous employer.

HOURS OF WORK

Hours of work will be 40 per week.

If the appointment is full-time the employee shall not engage in any other business or occupation without the prior consent of the Organisation. If an appointee is engaged in other business or occupation when taking up a full-time appointment with MidCentral, and wishes to continue to participate in this other business or occupation, this must be disclosed to the hiring manager prior to accepting the appointment.

ANNUAL LEAVE

The annual leave entitlement is 30 working days per annum (pro-rata for part-time employees), in addition to 11 Public Holidays as per the Holidays Act 2003.

SICK LEAVE

Te Whatu Ora

Health New Zealand

Te Pae Hauora o Ruahine o Tararua
MidCentral

Sick leave will be granted as and when such circumstances arise. If sickness exceeds three months, MidCentral may seek a medical review in respect of the employee's ability to return to work. The Organisation offers an Employee Assistance Programme for employees whose work performance is being adversely affected by personal problems. Such assistance is provided on a strictly confidential basis and receiving such assistance is in no way detrimental to an employee's career.

CONTINUING MEDICAL EDUCATION

The appointee will be entitled to the Continuing Medical Education leave provisions as set out in the Collective Agreement applicable at the time of employment. In addition, the appointee may claim reimbursement of professional development costs as per the Collective Agreement. Provisions for accumulation of both leave and reimbursement allocations are set out in the Collective Agreement. This provision does not apply to an appointment of six months or less duration.

COVID-19 VACCINATION

To undertake your role at MidCentral, you are required to be fully vaccinated against Covid-19, including the booster vaccination and will be required to provide evidence of this prior to commencing employment.

TREATY OF WAITANGI

MidCentral is committed to its obligations under the Treaty of Waitangi. The appointee will be expected to incorporate the principles of the Treaty of Waitangi in their working practices.

EQUAL EMPLOYMENT OPPORTUNITIES

MidCentral is committed to the principles of Equal Employment Opportunities and all recruitment activities are conducted in accordance with these principles.

SMOKE FREE ENVIRONMENT

MidCentral provides smoke-free workplaces that protect the health and comfort of employees, patients/clients, contractors, volunteers and visitors. All buildings, grounds and vehicles owned, occupied or leased by MidCentral are smoke-free. Employees are expected to promote smoke-free lifestyles and act as role models when working with patients/clients and in the community.

CODE OF CONDUCT

MidCentral has a Code of Conduct that sets out the standards of performance and conduct required of employees. Employees of MidCentral are also required to act with a spirit of service to the community and meet high standards of integrity and conduct as set out in Standards of Integrity and Conduct - a code of conduct issued by the Public Service Commission.

SHARED APPROACH TO WORK PRINCIPLES

It is important that MidCentral has a healthy and safe working environment in which all employees feel their contribution is valued and appreciated. The actions and behaviours below are intended to provide a guide and assist us all to develop and maintain this environment.

To be happy and proud in our work we will:

- Care for and support each other to have a safe work environment;
- Treat each other with trust and respect, recognising cultural and other differences;
- Communicate openly, honestly and act with integrity;
- Enable professional and organisational standards to be met;
- Support each other to achieve, and acknowledge contributions and successes.

MidCentral does not tolerate bullying, harassment, or inappropriate behaviour in the workplace environment.

Te Pae Hauora o Ruahine o Tararua
MidCentral

CONFIDENTIALITY

All employees are responsible for the security of confidential and sensitive information which is held by MidCentral. All employees have a responsibility to comply with the requirements of the Privacy Act 2020 and the Health Information Privacy Code 1994 and any subsequent amendments.

It is a condition of employment for all employees that confidential or sensitive information is only accessed, used or disclosed as necessary to meet their employment or contractual obligations and in accordance with the relevant legislation, their professional obligations, and any other obligations imposed by law. Note: This does not preclude the sharing of clinical information among health professionals involved in the care or treatment of the individual on a “need to know” or consultancy basis.

Confidential information concerning a patient or client who is receiving or has received services provided by MidCentral may not be accessed by employees not involved in the care or treatment of the patient or client, and also may not be disclosed to unauthorised persons, except for those specific cases defined in relevant legislation and as per MidCentral’s Confidentiality Policy.

HEALTH DECLARATION

Shortlisted applicants will be required to complete a Health Declaration form and provide this to the hiring manager. They may also be required to undergo a medical examination as part of assessing their ability to fulfil the requirements of the position.

DECLARATION OF CRIMINAL CONDUCT AND OTHER INFORMATION

Shortlisted applicants will be required to complete a Declaration of Criminal Conduct and Other Information form and provide this to the hiring manager.

DECLARATION OF MEDICAL LICENCE, LOSS OR SURRENDER

Applicants are required to complete a Declaration of Any Loss or Surrender of Medical Licence to Practise or Hospital Suspensions Form and return this with their application.

POLICE CLEARANCE/ CHECK(S)

Some appointments at MidCentral are subject to a Police Clearance which requires the applicant to complete a New Zealand Police Vetting Service Request and Consent Form. Additionally, overseas police checks may need to be applied for by the appointee if they have lived in any country other than New Zealand for 12 months or more within the last 10 years.

Shortlisted applicants will be advised of the requirement to undergo a New Zealand Police Clearance, and provide overseas police clearance/s, as required.

Notwithstanding the police clearance process upon appointment, in future all MidCentral employees may be required to undergo police and/ or other vetting procedures, and all staff will be required to participate in this process.

MidCentral reserves the right to withdraw any offer to the appointee, or if the appointee has commenced work, terminate employment, if any adverse information arises out of the police check/s.

CHILDREN’S ACT 2014 (include only for “core” children’s worker roles)

Due to this role having contact with children and MidCentral’s commitment to child protection, shortlisted applicants will be subject to ‘safety checks’ in accordance with the Children’s Act 2014 before any offer of employment is made. These checks are required periodically for existing employees in accordance with the relevant legislation.
